UNIVERSITY MISSION STATEMENT

Equipping students to discover and develop their divine design to serve Christ and the world through Spirit-empowered life, learning, and leadership.

UNIVERSITY VISION STATEMENT

Southeastern University is anchored by Spirit-empowered education in a Christ-centered, student-focused learning community. Southeastern's global impact is marked by a deep commitment to transforming minds and engaging culture through the integration of faith, learning and service. Each student's divine design is nurtured and unleashed through the investment of faculty and staff, relationships within the community, the rigor of scholarship, diverse learning experiences and the discipline of spiritual formation, which propels students into a lifetime of serving the world in the Spirit of Christ.

In addition to our mission and vision statement, we hold fundamental truths about the Christian faith that include the following:

- The Scriptures are inspired by God and declare His design and plan for mankind.
- There is only one true God who is revealed in three persons: Father, Son and Holy Spirit (commonly known as the Trinity).
- Jesus Christ, as God's son, was both fully human and divine.

We are proud of our affiliation with the Assemblies of God and our Pentecostal tradition. We are also proud to be a welcoming community for students from all Christian backgrounds and denominations. Our campus includes many Baptists, Presbyterians, Methodists, etc., as well as nondenominational students. Everyone shares a strong commitment to knowing Christ and making Him known, and we celebrate our theological similarities while appreciating our differences.

REGIONAL ACCREDITATION

Southeastern University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate, baccalaureate, masters, and doctorate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097 or call 404-679-4500 for questions about the accreditation of Southeastern University.

AFFILIATIONS

Southeastern University is a member of the Alliance for Assemblies of God Higher Education (The Alliance), though the school welcomes staff, faculty, and students from a variety of Christian backgrounds and denominations.

Additional institutional memberships can be found at the bottom of SEU's website by clicking "Accreditation" under About. (<https://www.seu.edu/about-southeastern-university/accreditation>)

STATE AUTHORIZATION

Southeastern University is determined to be in compliance with the requirements of Title 5, California Code of Regulations (CCR) section 71390. Therefore, Southeastern University: NorCal Campus is granted approval to operate by the California Bureau for Private Postsecondary Education, under the terms of California Education Code (CEC) section 94890(a)(1) until December 5, 2022 per CEC section 94890(b). This approval is coterminous with the institution's term of accreditation granted by the Southern Association of Colleges and Schools Commission on Colleges (SACS/COC).

SEU NorCal has also been approved for the training of veterans and eligible persons by California State Approving Agency for Veterans Education (CSAAVE), and according to the provisions of Title 38, United States Code.

Additional disclosures can be found at the bottom of SEU's website by clicking "California State Disclosures" under Academics. (<https://www.seu.edu/california-state-disclosures>)

CANDIDATES FOR ADMISSION

No applicant will be denied admission to Southeastern University on the basis of race, color, sex, or national or ethnic origin. Southeastern does not discriminate against individuals with physical or mental disabilities who are otherwise eligible for admission to the university.

ADMISSION PROCESS

The admission process in Unrestricted Education is two-fold. First, admission to an academic program of Southeastern University requires that the student will have earned a high school diploma or GED. Placement tests such as SAT or ACT are not required; however, the university will give students the option to complete these tests and supply scores to the Office of Admission. Each student is required to provide the following items as part of his/her application package: a completed digital application, official high school transcripts or GED, SAT or ACT scores if such scores exist, Christian character reference form, entrance essay, and any official college transcripts (if applicable).

Second, if the student desires to attend face-to-face classes at the NorCal campus, he/she must be accepted as a NorCal student. SEU NorCal leadership will ensure that the student is adequately prepared for living and learning in a Christian environment, while also evaluating the applicant's personal and vocational aspirations, character, and whether or not this extension site will best serve the applicant's needs. If it is determined that the NorCal campus is not a good fit, any student accepted into Southeastern University at-large may consider involvement in another extension campus or study solely online.

APPLICATION SUBMISSION & ACCEPTANCE

Following submission of all application items to the NorCal campus, and the decision of NorCal leadership to grant a student the ability to study face-to-face at the NorCal campus, all original paper copies of the student's application package will be sent directly to Southeastern University's Office of Admission (official transcripts, test scores, reference forms, and writing sample). An admission representative from the main campus will contact the applicant via email, notifying him/her of the admission decision.

Please note: Provisional acceptance does not apply to students at the NorCal campus. Acceptance is either fully granted or denied.

CREDIT EVALUATION

Students can fulfill degree requirements through college transfer credit, as well as assessments such as Advanced Placement and CLEP Examinations.

Veterans may also fulfill requirements through military education. Credits allowed will be recorded on the enrollment record and the length of each course shortened proportionately. In addition, the student and the OVA shall be notified. (NOTE: All prior training must be evaluated.)

For more information about credit evaluation, please visit the Academic Policies page of SEU's Unrestricted Education Catalog: <http://catalog.seu.edu/>

ENROLLMENT & REGISTRATION

All SEU NorCal students are scheduled for an advising meeting, where enrollment choices are made for the upcoming semester and office staff assist with registration. For more information about drop/add procedures and registration, please visit the Academic Policies page of SEU's Unrestricted Education Catalog: <http://catalog.seu.edu/>

CLASS PARTICIPATION POLICY

SEU NorCal students are required to participate in all class activities such as discussions and group projects. A student may miss a class without penalty equal to the number of times a class meets per week as follows:

- If the class meets once a week, a student may miss one class.
- If the class meets two times a week, a student may miss two classes.
- If the student arrives 10 or more minutes late or leaves 10 or more minutes early, and this occurs three times, the student will receive an 'absence.' If a student's absences exceed the number of times a class meets per week, a professor may:
 - Subject the student to a penalty of not more than one letter grade based on attendance alone.
 - Recommend to the Registrar that a student with excessive absences be withdrawn from the course.

LATE WORK POLICY

No late work will be accepted without penalty unless a written request for an extension is submitted via email to the instructor no more than 12 hours past the due date. The request must include the assignment title and why the assignment could not be submitted by the deadline (medical, technological issues, family emergency, etc.). Failure to communicate within the 12-hour grace period will result in a zero being recorded in the grade book. If communication was submitted within the 12-hour grace period, the professor will then determine if an extension will be granted and notify the student via email outlining the parameters of the extension within 24 hours. Most extensions will be granted for a maximum of 7 days and a maximum penalty of 40% off the earned grade. Any work submitted past day 7 will automatically become a zero, unless a longer extension is warranted. Please note that if a medical extension is needed past 7 days, medical documentation will be required, and the Academic Director must approve the longer extension in conjunction with the professor.

EXTRA CREDIT POLICY

Extra credit may be awarded at the professor's discretion, for special projects completed.

DISMISSAL POLICY

In the event a student must be dismissed from the NorCal campus for any reason, the student will be informed officially in writing by the Campus Director, followed immediately by a written statement from an official at Southeastern University's main campus. Reasons for dismissal are outlined in the "Standard of Conduct" section of this handbook.

Students dismissed from the NorCal campus may be permitted to retain their enrollment with Southeastern University as an online student not affiliated with SEU NorCal. Such students will no longer receive the following benefits, including but not limited to: discounted tuition, waived fees, free practicum credit, and/or face-to-face education through SEU's NorCal campus programs.

Re-admittance to the NorCal campus is not guaranteed, and is considered on a case-by-case basis.

Student Development – Student Services

PERSONAL AND FAMILY COUNSELING

Student counseling resources are facilitated through the SEU NorCal Office. Also, students are offered free one-on-one counseling sessions via <https://timely.md>. In addition, the Counseling Center of The House Modesto provides personal, pre-marital, marital, and family counseling, and a number of support groups are also available for student participation.

CAMPUS SECURITY

At the NorCal campus, round-the-clock porters monitor activities on the church grounds. The parking lot adjacent to the academic buildings is lighted well and under regular surveillance. The Campus Security Report and The Campus Crime Statistics Report are posted at www.seunorcal.com

PLACEMENT ASSISTANCE

In an effort to help students find ministry positions upon graduation, the school maintains a list of opportunities reported to the school and provides guidelines for writing resumes and conducting interviews. Students are encouraged to file their resumes with the office during their last year of enrollment.

ALUMNI ASSOCIATION

Southeastern University's Alumni Association endeavors to perpetuate relationships among alumni of the school, as well as alumni and current students. Activities throughout the year promote these goals.

LIBRARIES

SEU's main campus is home to Steelman Library, which provides books, articles, DVDs, CDs, scores, streamed audio/video, and serials to SEU students. Extension campuses can take advantage of the Interlibrary Loan system, for quick and efficient access to thousands of these and other hard-copy resources. Steelman library also makes many online databases and other electronic resources available to all of its students through the WorldCat catalog and the library's online portal (library.seu.edu).

The NorCal campus contains a library collection of approximately 4,000 volumes, which provides direct access to resources for students taking classes on-ground in this region. Every SEU NorCal student has access to the NorCal library facility during designated hours most days of the week.

For more information, please visit www.seunorcal.com/academics.

COMPUTERS

The NorCal Library makes several computer workstations available to students while they are on campus. Additionally, several laptops are available for check-out each semester.

BOOKSTORE

SEU's Follett Bookstore provides students with both academic and spiritual resources. Textbooks, reference volumes, and Bibles are often offered at discounted prices, and upon request, the University Bookstore will "special order" select items not in stock. In addition, students with residual financial aid funds on their Fire Cards may purchase books from Follett Bookstore using their cards.

For more information, please visit www.bkstr.com/southeasternstore/shop/textbooks-and-course-materials

CAFÉ

The Student Union provides drinks and snacks to the student body during class days - Tuesday and Thursday, 9am to 9pm. In addition, The House Café offers a selection of novelty drinks and snacks, for purchase, during business hours.

FITNESS CENTER

The House Fitness is a state-of-the-art, one-of-a-kind facility serving the Christian community of The House and the greater Modesto area. SEU students who utilize the facility at least four times a month receive a free monthly membership.

STUDENT UNION

SEU NorCal's Student Union is at the west end of the campus corridor and offers students the perfect venue for building community and fostering greater SEU identity. The 1200-square-foot space holds gaming areas, dining areas, and lounge spaces. Every SEU NorCal student has access to the facility during designated hours during the week.

Student Development – Community Life

STUDENT LEADERS

The Student Life Coordinator works with student leaders to promote a sense of Christian community among the student body. This governing team seeks to promote a strong spiritual and warm social environment through a variety of activities, programs, and events.

SOCIAL ACTIVITIES

Throughout the year, events are planned and promoted through the Student Life Office, for the purpose of building community and fostering wholesome campus activity. While some of these events are specifically for interns, many are open to the SEU student body at-large. Visit www.seunorcal.com for more information, or stop by the University Office to request a Schedule of Activities.

MINISTRY OUTINGS

Each semester, the Student Life Coordinator facilitates activities to promote the school. Please talk to the Student Life Coordinator if interested in being involved in these events.

Class Conflict Outings - Program directors must provide a list of students participating in authorized university activities or field trips to the SEU NorCal Office, and office personnel will notify the instructor of approved absences. It is the students' responsibility to complete all assigned work – should the event be approved. The instructor will take this information into account as he/she logs attendance and not consider it an unexcused absence.

SPIRITUAL DEVELOPMENT

Students at SEU NorCal enjoy a variety of opportunities to enhance their spiritual development.

Regular worship times are available for student and faculty participation. In addition, leadership occasionally conducts an annual spiritual emphasis week and similar events geared toward spiritual nurture of the student body.

Leadership strives to make sure every student is actively being mentored while he/she is enrolled in SEU NorCal, for the purpose of providing Christian accountability and ensuring effective implementation of what is being learned in the classroom.

The House Modesto serves as the campus church for SEU NorCal and offers multiple opportunities for spiritual development. A large number of specialized and small group ministries for singles, married couples, and families are available through the church. Students also have the opportunity to fulfill their Christian service and supervised practicum requirements at The House.

These aforementioned activities are intended to complement the instruction and spiritual growth students are receiving in the classroom.

FIRST-YEAR EXPERIENCE

Whether a freshman or transferring from another university, the first year at SEU NorCal is an exciting time to make connections on campus and explore a new college home. Our goal is to help students make the most of their arrival at SEU NorCal and begin taking advantage of the opportunities to grow spiritually and succeed academically, all while making lifelong friends.

Students will...

- Participate in small-group interaction with the Student Life Coordinator and student leaders
- Have coffee and dessert chats with some of our faculty and/or staff members
- Participate in a family-style dinner with campus leadership and other first-year students

PRACTICUMS / ON-GROUND MINISTRY INTERNSHIPS

At SEU NorCal, we believe hands-on, practical training is a crucial part of your education. Undergraduates will have the opportunity to serve in a ministry area they are passionate about, alongside experienced ministry leaders.

Students majoring in face-to-face programs outside of Worship Ministries may participate in one three-credit practicum each semester they are enrolled full-time (assuming transfer credits have not occupied practicum space on their degrees).

Students majoring in Worship Ministries may participate in one two-credit practicum each semester they are enrolled full-time (assuming transfer credits have not occupied practicum space on their degrees).

Students will fulfill their practicum requirements when they do the following...

- Serve a minimum amount of hours each week in an approved hands-on setting
- Submit practicum assignments, which include...
 - A Practicum Registration Form
 - A Ministry Project Proposal
 - A Ministry Project Progress Report
 - A completed Supervisor Evaluation Form
 - A completed Self Evaluation Form
 - Submission of a Learning Essay that articulates the experience over the 16-week semester.
- BrightSpace Participation: Practicum courses are graded on an A-F scale. This is different than the Pass/No Credit or Pass/Fail grading scales used in previous years. Please understand that the practicum course should be treated as a normal course – with credit and grades given based upon assignments completed. Timelines are built into the course in which certain assignments must be submitted, instead of allowing everything to be turned in by the last day of the semester.
- Finances: Practicum courses are free to extension site students. An initial charge for the course will be assessed. That charge is then “scholarshipped” back to the student account by the end of the semester.

Where do I complete my training?

Students have two options to fulfill ministry training at SEU NorCal...

Option 1: Serve in your home church

If you are actively serving in your home church, don't stop! We will partner with you and a ministry leader from your church to meet practicum requirements. First, talk with the leader you serve under to ensure he/she is willing to supervise your experience. That person will need to fill out a simple form with contact information and his/her approval to oversee your practicum experience. Second, discuss the arrangement with the Campus Director for approval. Finally, complete all the requirements listed above.

Option 2: Serve in a ministry at our host church, The House Modesto

The House Modesto offers a variety of settings where students can serve and gain hands-on ministry experience. There are dynamic leaders in children's ministry, youth and young adult ministry, worship arts ministry, and more. Pastors and leaders in each of these areas are ready to come alongside you and give you tools and experiences that will launch you into effective ministry. There are invitation-only, full immersion programs – The House Ministry Internships – as well as discipleship programs and general hands-on experience for every student.

Students interested in the invitation-only internship are required to complete an application for The House Ministry Internships program. Before each semester, internship directors will review applications and prayerfully invite students into the experience. Internship directors consider factors such as spiritual maturity, faithfulness to serve, and character when reviewing applications. As an intern, you will be challenged to do more than just the minimum required. You will have weekly times of prayer and mentoring with Internship Directors, be part of our recruiting team, and serve in key leadership roles within your chosen ministry area. Students who are not accepted into the full-immersion program will still plug into a chosen ministry area, but be encouraged to complete House College, a young adult discipleship program, for one year before reapplying. A general servant-leader experience may also be available to those who are not invited into The House Ministry Internships within the first couple semesters of their studies.

DRESS CODE POLICY FOR STUDENTS

As a Christian institution that is dedicated to preparing students for Spirit-empowered ministry and leadership in church and marketplace settings, SEU NorCal asks students to respect and comply with community standards with regard to dress. In general, at all times, whether on or off campus, students should keep in mind their callings as ambassadors for Christ. Our aim is always to glorify Christ and point people to Him, and we hope that through these guidelines we will minimize times when we distract from that aim by drawing undue attention to our physical appearance. To this end, we ask students to honor the principles of modesty, professionalism, neatness and personal hygiene.

Students who have questions about SEU NorCal's dress code policies should feel free to consult the SEU NorCal Office. While on campus (at class, chapel, or while using campus facilities for other purposes), students are asked to comply with the following more specific parameters:

Women

Skirt and dress lengths are to be modest, professional and appropriate. Sleeveless shirts are permitted, but no tank tops or immodest necklines. Width of straps should be at least 2".

Men

While casual attire is acceptable for daily campus life, men should honor SEU NorCal's community guidelines by wearing clothes that are appropriately neat, clean, and professional.

Men and Women

Shoes should be worn at all times; they should be clean, neat and professional. Visible tattoos which highlight offensive messages should be covered, and visible body piercings that are deemed distracting to peers and others are not permitted. On campus and at all SEU events, men and women are asked to have their entire midsection/midriff area covered, from shoulders to waistline.

Platform Ministry

We who have the privilege of ministering in SEU chapels and public events are also being introduced to the responsibilities of leadership. Carrying a higher profile and being more closely observed by others, we are challenged to set a standard for what is appropriate for leaders to wear in a highly visible setting.

Men

Always be well-groomed, clean and neat. Wear shirts with appropriate messaging, or no messaging at all. Wear neat dress slacks, neatly kept blue jeans, or khaki pants. Shoes are to be neat and clean.

Women

Modesty and femininity are the guiding principles for women's dress. Attention should be drawn to your countenance rather than other areas of the body. No tight-fitting or revealing clothing; modest necklines only. Leggings should be worn with dresses or skirts if the dress falls at or above the top of the knee. Tank tops are not permitted unless a cover up, sweater, nice jacket, or cardigan is also worn. Make sure that if a cardigan is worn, it does not fall off of your shoulders while moving around or raising your arms.

*For special events, whether on or off campus, dress requirements may be adjusted.

The decision of the Vice President for Student Development is final, and there shall be no subsequent hearing or appeal.
